**50th**  
ANNIVERSARY ISSUE

## Chairman's message

Milestones are markers of progress, of endings and new beginnings. They help us in looking back and appreciating how far we have come. They inspire us to surge ahead with renewed gusto. As the wise words of Nelson Mandela remind us, "Remember to celebrate milestones as you prepare for the road ahead."

This December edition of NeoNews is one such milestone, albeit a special one, as we complete 50 editions of the monthly newsletter from the Ambuja Neotia Parivaar. And it fills me with immense happiness and gratitude as we relive this beautiful journey. I take this opportunity to thank each and every individual who has contributed towards making this journey memorable and meaningful.

With a heavy heart, I would also like to share our irreparable loss with the demise of my dear friend Shri Jayabrato Chatterjee, who had been an integral part of this NeoNews journey. He had been instrumental in giving shape to the monthly newsletter as well as a trusted managing editor of our in-house magazine Potpurri. The long association and relationship that the Ambuja Parivaar has had with him cannot be expressed in a few words. We can only pray to the Almighty for his soul to rest in peace.

New Year, too, is like a milestone. It's time to say goodbye, and time to say hello! To look back in fondness, and move on with hope. The New Year stands before us like a fresh chapter in a book, waiting to be written.

Like in every journey, a milestone not only brings us good memories but also calls to mind the struggles and disruptions that we have overcome. The stories of little and big triumphs that boost our self-esteem and inspire us to live better.

Celebrating milestones gives us a chance to acknowledge all that it took us to get to this point. It also helps us to peep into the future and plan for what's next. It's an opportunity to introspect how,

going forward, we can best serve ourselves, each other and our communities.

With the chill and festive cheer in the air, let us be grateful for all the good things that happened to us as well as for all the lessons we learnt in our journey towards a beautiful tomorrow.

Wishing you the best of season's greetings, a Merry Christmas and a Happy New Year!

*Ram N. Neotia*

The project attempts at helping students prepare for their upcoming Class X Board exams, by arranging a series of around 25 mock tests covering all seven subjects within a 75-day period, starting right after their school selections are over. The goal is to help those students who can't afford to access expensive institutional mock tests and hence equip them to successfully ace their final Boards.

The project has been launched with 25 Class X students who come from 4 different vernacular schools, all located within a 10-km-radius of Utalika project. All the mock tests will be backed by subject classes, each of 2-hour duration, to be led by seven senior teachers.
