DECEMBER, 2023

Chairman's Message

"Winter is the time for comfort, for good food and warmth, for the touch of a friendly hand and for a talk beside the fire: it is the time for home." - Edith Sitwell

As the winter chill sets in, bringing with it a serene and contemplative atmosphere, we find ourselves immersed in the magic that December unfurls. The significance of this season is beautifully encapsulated in the words of Edith Sitwell, reminding us of the warmth and togetherness that define the winter months.

December, a month that continues the saga of festivities and celebrations in India, marks the beginning of a season that holds a special place in our hearts. It's the season of auspicious new beginnings, a time when weddings and celebrations abound, creating a mosaic of joy and happiness. The crisp weather, the bounty of winter crops, and the aroma of good food in the air create an ambiance that is both comforting and invigorating.

Amidst this festive spirit, we delve into the Christmas celebrations. It's a time for reflection, gratitude, and generosity. Santa Claus, with his gifts and benevolence, resonates with the spirit of giving and sharing. It's a beautiful reminder that life itself is a precious gift, and each day is an opportunity to spread joy and kindness.

As we embrace the Yuletide spirit, let us take a moment to reflect on the year gone by. December offers us a precious pause, a chance to ponder on the lessons learned, the challenges overcome, and the moments cherished. It's a time to express gratitude for the journey and to set aspirations for the year ahead.

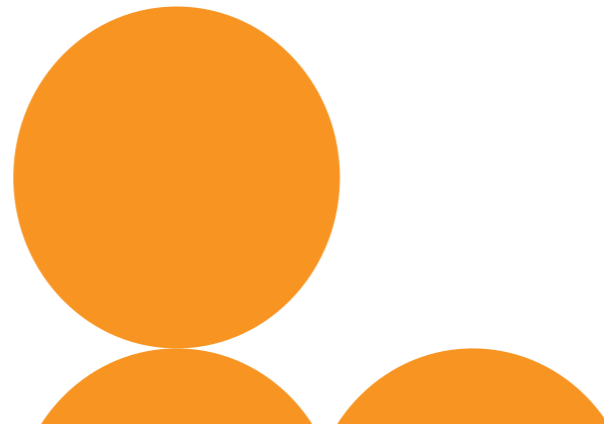

In the simplicity of winter, there is a beauty that often goes unnoticed. It's a season that encourages us to appreciate the small joys of life, the warmth of relationships, and the comfort of a shared laughter. It's a time to connect with our inner selves and find solace in the simple things that bring us happiness.

As we bid farewell to 2023, let us embrace the coming year with hope, determination, and a renewed sense of purpose. May the simple joys of life fill your days with warmth and happiness!

Wishing you all a Merry Christmas and a Happy New Year!

Feeding The Needy

Feeding the feeble and addressing their nutrition needs is one of the primary steps towards creating a revitalised community. On this note, the Ambuja Neotia Group has identified a few hungry pockets in and around Kolkata, where certain sections of people go about with hardly a meal for a day. To address this pressing need, we have introduced Apni Roti, an initiative where hot chapatis are prepared on site in mobile food vehicles and then served to the needy for lunch and dinner. The Apni Roti initiative was launched with Anand Ahaar, a programme for the poor living in slums of Rajabazar in North Kolkata. Four hot chapatis, boondi and fresh pickle were served to each individual. More than 350 people – children, men and women, were served as part of the initiative, which is in tune with the 2nd Sustainable Development Goal (SDG), coined as Zero Hunger by the United Nations.
