JUNE, 2024

## Chairman's Message

As June unfolds, we find ourselves grappling with intense heat and humidity, with almost no rainfall to offer respite. This unrelenting summer is a stark reminder of the realities of climate change and the urgent need for environmental action. The oppressive weather serves as a call to reflect on our habits and their impact on the planet.

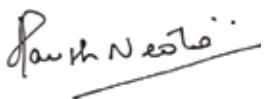

June is also the month when we observe World Environment Day, underscoring our collective duty to protect and preserve our environment. This year, more than ever, it reminds us of the pressing need for sustainable practices and conscious living.

Taking a cue from Father's Day, celebrated on the third Sunday of June, we can emulate our father figures and extend our care and support for a greener and better world. It is indeed a necessity for each one of us to value the resources of nature and work towards a responsible way of life.

World Music Day reminds us of the universal language of music, which transcends boundaries and connects us all. It also serves as a metaphor for our need to stay in sync with the rhythm of nature, fostering a harmonious coexistence with our environment.

The month ends with the celebration of International Yoga Day. This ancient practice unites our mind, body, and spirit to bring balance to our lives. One very important aspect of yoga is mindfulness, which is particularly relevant as we navigate the stresses of modern life and the challenges posed by climate change.

Maintaining our well-being allows us to better serve others. Taking time for self-care, whether through mindful practices or connecting with loved ones, ensures that we are equipped to support those around us. Let June be a month of renewal, compassion, and dedication to both personal growth and the well-being of our community and environment.

**City Centre: 20 Years of Spreading Happiness**

This year City Centre Salt Lake is celebrating 20 years of spreading happiness. In 2004, the Ambuja Neotia Group gifted Kolkata with this address, which revolutionised the concept of a mall. Since then, a beautiful relationship has fostered between the mall and the city, attracting lots of love from its visitors. On this special occasion, we present 20 ways the Salt Lake hotspot has kept on spreading happiness for the past 20 years.

**1 Centre of New Beginnings:** Yes, it has literally become the centre of fun, frolic, shopping, and bonding the city craved for. The name City Centre and its spiral logo instantly conjure up happy images in the visitor's psyche.

**2 Heart of Salt Lake:** City Centre infused a happy vibe and a vibrant shine to the skyline of Salt Lake, making it a hotspot even for people living far south!

**3 A Mall Unlike Any:** Ace architect Charles Correa ditched the closed box format of a mall, and gave shape to an open market space, creating "streets" and "courtyards" in a hitherto unseen mall complex.

**4 Convenience is Key:** Be it through the interior layout or the accessibility within, be it the different levels connected in a traditional way or the thoughtful departure from having a boundary wall – City Centre has always attempted to spell out convenience for its visitors.

**5 Of Bonding and Reunions:** City Centre, over these two decades, has transformed into a favourite address where people meet, unite and reunite, where the essence of adda, bonding and camaraderie thrives in the air.

**6 The Kund Area:** It's the heart of City Centre. The large open space with a fountain at the centre embraces anyone and everyone to have a happy time.

**7 Diverse and Chic:** A shopping mall that caters to all kinds of people, with different and unique tastes – City Centre has a well-curated brand mix – local and hyper local to high-end – Indian and international.

**8 A Foodie's Paradise:** From a food court to standalone restaurants, a crêperie to a tea junction, Asian to Continental, Bengali to Tibetan – City Centre has something to suit your palate on every occasion.

**9 Entertainment:** Go on a movie date or catch your favourite film solo at the INOX. Add popcorn, chaat, bhupuri, momos, nachos, burgers and so much more to gorge on.

**10 Season's Greetings:** Christmas or Poila Baisakh, Durga Puja or Diwali City Centre greets visitors with an all-decked-up look and feel, adding to the season's cheers!

**11 Food Fests:** If the dine dens aren't enough, the Kund area often transforms into delish food festivals – showcasing everything from Calcutta Classics to Biryani & Kebabs, Oranges and Mangoes to Mishti and more!

**12 Culture Calls:** Musical evenings, dance recitals, poetry and stand-up, film promotions... the Kund area also doubles up as the culture-stop on several occasions, regaling the audience with mesmerising performances and celebrity appearances.

**13 Art & Crafts:** Be it a beautifully curated Jute Festival or a local handicraft and handloom show, a travel expo or an art exhibition – City Centre has delighted its visitors over the years with many art and crafts gala.

**14 Sporting Fun:** Be it IPL or the World Cup finals – the giant LED screen at City Centre ensures that sport buffs don't miss out on the most exciting matches.

**15 Kids' Favourite:** From the occasional Motu-Patlu, Gopal Bhaanr or Chhota Bheem festivals to the all-time fun game parlours – the Salt Lake mall has a lot to offer for every child as well as the child-at-heart!

**16 Unique Pop-Ups:** Kiosks, booths, counters and pop-up stands offering varied experiences like mehndi design, bangle shopping, chuski-gola-kulfi, chocolates and candies, mobile accessories and more spice up the mall experience.

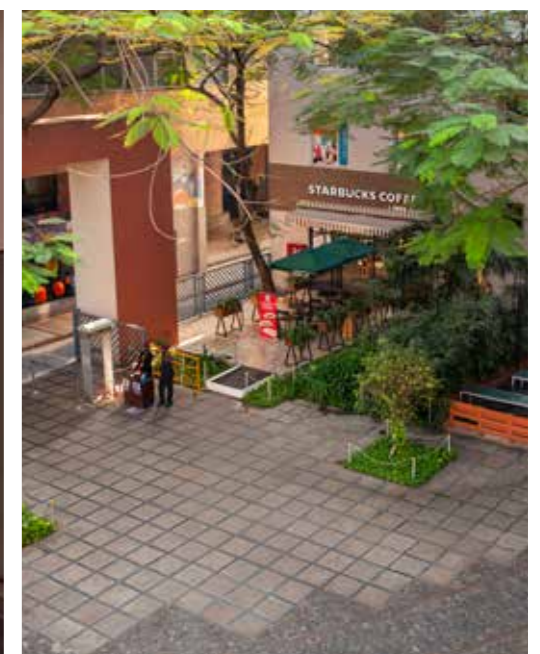

**17 Royal Bengal Room:** Not just shopping and entertainment, City Centre also boasts of an 11,000 sq ft banquet with ornate decor crafted for your special moments.

**18 The Iconic Tram:** One of the unique features that has almost become synonymous with City Centre Salt Lake is the horse-drawn Kolkata tram-car dating back to 1880, converted into a gift shop. A popular photo-op for many!

**19 Groom and Pamper:** From getting a relaxing foot massage to signing up for beautiful nail extensions, from tattoo art to a trendy hairstyle – City Centre has every reason for you to visit and pamper yourself, lending a happy smile to a day well spent!

**20 The Residency:** An exclusive block of 60 designer homes designed by the celebrated architect Charles Correa, named the Residency, has been a special and exclusive extension of City Centre Salt Lake.

**Mentoring of Marginalised Students in the Sundarbans**

The Ambuja Neotia CSR team recently visited Namkhana in the Sundarbans to conduct a mentoring session for 52 academically outstanding but financially disadvantaged students from various remote areas. These students, children of fishermen, labourers, farmers, and migrant workers face severe financial challenges but have excelled academically. The event, 140 kilometers from Kolkata, featured a mentoring session by Tarun Goswami, a renowned reporter from The Statesman, who spoke on courage, personality development, and patriotism. The students also performed songs and a recitation.

Scholarships were awarded to the students, who expressed their gratitude through written feedback, highlighting the significance of this support for their higher education. The event, covered by the local media, was the first public recognition of their achievements. The students, unfamiliar with Kolkata and Ambuja Neotia, were delighted by the assistance and extended invitations to the team to visit their homes. The day fostered a sense of optimism and connection, leaving a lasting impact on both the students and the CSR team.
