OCTOBER, 2024

Chairman's Message

October in Bengal brings with it a breath of fresh air, as the heat of summer begins to fade and the cool breeze of Sharat sets in. The sky turns a brilliant blue, dotted with white, fluffy clouds, ushering in the festive season of Sharodiya — a time when the earth, air, and sky seem to celebrate along with us, mirroring the joy in our hearts.

The month began with the birth anniversary of Mahatma Gandhi, whose legacy of truth, non-violence, and peace continues to guide us. Gandhi's teachings remind us to embrace compassion, unity, and honesty, offering a moral compass as we navigate life's challenges with dignity and respect for all.

The month of Sharat is synonymous with the grandeur of Durga Puja, Navaratri, and Dussehra. As the gentle breeze and crisp autumn air set the perfect backdrop, Durga Puja becomes the heart of Bengal's celebrations, drawing millions to partake in the festivities that symbolise the victory of good over evil. Navaratri brings nine days of spiritual renewal, while Dussehra reminds us of Lord Rama's triumph over Ravana — a timeless message of righteousness prevailing over wrongdoing.

As the month progresses, Lakshmi Puja followed by Dhanteras inspire us to focus on working sincerely towards creating and preserving wealth, not only in material terms but also in health and well-being, emphasising that true prosperity lies in balance and mindfulness.

As we move on to the festivals of Kali Puja and Diwali by the end of this month, we look forward to a season of spreading the message of joy, positivity and warmth, and the importance of illuminating our lives and those of others.

It's a time of unity, renewal, and hope — one that resonates deeply with the changing rhythms of the season. In this magical month of Sharat, we are reminded of nature's beauty and its parallels in our lives — the balance of light and dark, good and evil, truth and illusion. May October's journey of celebration, reflection, and renewal inspire us to live with purpose, positivity, and a deep connection to the world around us!

Double Joy for Ambuja Neotia Healthcare

As Bengal and the rest of India ushered in the festive season of autumn, the members and staff of Ambuja Neotia Healthcare had several reasons to celebrate – the two primary ones being the 12-year anniversary of Neotia Getwel Multispecialty Hospital in Siliguri and the introduction of new luxury suites at Neotia Bhagirathi Woman and Child Care Centre, Rawdon Street.

Be Surrounded by Luxury as You Heal

Neotia Bhagirathi Woman and Child Care Centre, Rawdon Street, is known for its quality medical facilities and unmatched care. In keeping with its dedication towards offering exemplary patient experiences, a new set of luxurious suites have been introduced on the 5th floor of the hospital.

Spacious, bright and well-appointed, these newly renovated suites offer a plethora of amenities and facilities, creating the feeling of a home away from home. Patients can enjoy diverse amenities such as coffee makers, microwave ovens, mini fridges and electric kettles - little comforts that make a world of difference to the sense of well-being.

These suites come with dedicated butler services as well. A stay in these suites will be no less than a luxurious sojourn, albeit with the added reassurance of the best medical care in the city.

12 Years of Happy Healing

Neotia Getwel Multispecialty Hospital in Siliguri recently celebrated 12 remarkable years of exceptional care, receiving the love and trust by the people of North Bengal and beyond.

With a team of renowned multi-specialists and state-of-the-art facilities, the hospital has served lakhs of lives by consistently demonstrating excellence across various therapies, pioneering surgical techniques and latest technologies ensuring that patients receive the best clinical outcomes possible.

In this beautiful journey, some of the milestones that stand out include:

- # Performed over 18,000 cath lab procedures and 5,500 angioplasties
- # 600 open-heart surgeries, including pioneering surgeries such as Bentall procedures and Bariatric surgeries
- # Achieving a monumental first with the first-ever kidney transplant in North Bengal, completing 10 successful transplants to date
- # Introducing cutting-edge technologies like Capsule Endoscopy, Endoscopic Ultrasound, and CT-Coronary Angio (128 slices)
- # Specialized care in Level III NICU and establishing neuro-rehabilitation facilities
- # Hosting over 600 health camps and academic sessions, including notable National Level Trauma Symposia and Neo-Map workshops
- # Pioneering academic programmes with DNB accreditations in various specialties, alongside diploma programmes for technicians accredited by the State Medical Faculty

Several accolades have come their way, including the 'Corona-Yoddha' recognition, from esteemed organisations like the Indian Medical Association, Lions Club, and Rotary Club. Notably, the hospital's nursing excellence has been acknowledged with the CII 'Joyee' award.

These accomplishments would not have been possible without the tireless dedication of the exceptional team of doctors, nurses, paramedics, and other staff members. It is their relentless spirit that drives the success and inspires everyone to aim higher every day.

NeImpact

The Ambuja Neotia Group has taken a significant step towards improving healthcare accessibility in the remote Sundarbans region of West Bengal. In partnership with the Foundation for Innovations in Health (FIH), the Group has launched a floating digital clinic that provides primary healthcare services to the inhabitants of six islands.

Equipped with state-of-the-art technology and staffed by trained local health workers (trained from among local SC & ST youths), the clinic offers a range of services including digital consultations with specialists, diagnostic tests, medicines, and cancer risk assessments. The innovative "Uday" boat visits the islands on a weekly schedule, ensuring regular access to healthcare for approximately 18,000 people.

The services imparted include Digital and In-person Consultation (General Physician, Cardiologist, Diabetes Specialist, Neurologist, Gynaecologist, Skin Specialist and Orthopaedics), diagnostic tests (Haemoglobin, Plasma Glucose, ECG), medicines, sanitary napkins, ORS etc., and Cancer Risk Assessment & Screening.

By leveraging technology and human capacity-building, the project aims to address health inequities and improve the quality of life in the Sundarbans. The clinic's affordable services, which are significantly lower than alternative options, have proven to be a lifeline for the region's marginalised population.
